IBIDEN CO., LTD. RECEIVES TEXAS INSTRUMENT'S Supplier Excellence Award

OGAKI, Japan, May 15, 2009 – IBIDEN CO., LTD. has received Texas Instruments' Supplier Excellence Award (SEA). The presentation ceremony was held at H.O. of IBIDEN. Rob Simpson, Vice President, Worldwide Procurement and Logistics, TI and 3 other persons from TI attended to the ceremony and a trophy was given to Hiroki Takenaka, President & CEO, IBIDEN.

"I am pleased to receive such a honorable award. Also we really appreciate your continuous strong support for IBIDEN. We should take this opportunity to improve our further performance, especially competitive cost reduction and short lead time. We will try to achieve high level of customer satisfaction this year." said Hiroki Takenaka, President & CEO, IBIDEN. Following to 1988 and 2003, this is the 3rd time for IBIDEN to receive SEA.

Texas Instruments (HO: Dallas, Texas) is one of the most important semiconductor manufacturer of the world. Recipients of SEA were nominated from across TI's worldwide supplier base of over 14,000 companies and evaluated across several criteria, including cost, environmental responsibility, technology, responsiveness, assurance of supply and quality. 13 companies has received SEA on 2008.
