## **IBIDEN Publishes *Corporate Social Responsibility Report 2012***

IBIDEN Co., Ltd. (Head Office: Ogaki City, Gifu Prefecture; President and CEO: Hiroki Takenaka) is pleased to announce the publication of its *Corporate Social Responsibility Report 2012*, which outlines the IBIDEN Group's CSR activities.

We present our CSR efforts in this report and welcome any views and feedback from readers, which will be used to improve future activities.

### **1. Special features**

- (1) To provide information to as many stakeholders as possible and reduce the environmental burden, this report is available exclusively as electronic data on the Company's website (<http://www.ibiden.com/csr/index.html>) and elsewhere.
- (2) We have grouped the content into four categories—internal control, human resource management, environmental management, and social contribution, as set out under our CSR policy—and expanded the amount of information published for the areas where information disclosure is required.
